## Idleness Increases In Industrial World, Coal Peace Delayed

Believe Dr. Steelman Is Attempting To Bring Miners-Operators Together

COAL STOCKS LOW, FURNACES BANKED

Justice Department Ready To Begin Court Action—Truman In Williamsburg

PITTSBURGH, April 1.—(INS)—The probability that more men in the nation's steel and steel dependent industries would be idled as a result of the coal strike increased today with the knowledge that President Truman will take no action before Saturday.

Thousands of steelworkers and railroad men already were idle. Thousands of tons of steel production was being lost.

Coal Stocks Low  
Coal stocks were becoming so low that production curtailments of nearly 50 per cent in the steel industry generally will be mandatory next week.

Steel production in Alabama already has been cut 50 per cent and remaining coal is not expected to last beyond the week-end. The Geneva Steel Co. in Utah

WASHINGTON, April 1.—(INS)—President Truman today scheduled a 3 p. m. (EST) conference with Attorney General Clark and other key officials on the coal strike issue.

Summons to the White House conference were Clark, Secretary of the Interior Krug, Secretary of Labor Schwellenbach, and Federal Mediation Chief Cyrus Ching.

It was expected that injunction proceedings aimed at sending the 400,000 striking miners back to work for 60 days pending attempts to end the dispute would be discussed by the president.

has curtailed production a third and Bethlehem Steel Co. at Steelton, Pa., one-fourth.

However, all the losses to date will be infinitesimal compared with the loss to be expected should John L. Lewis ignore any anticipated government orders and not send his 400,000 United Mine Workers back to work within the next few days.

More than 20,000 workers on eastern railroads have been furloughed because of the coal strike. (Continued on Page Two)

## Pa Newc Observes

Have you been April fooled yet? Generally a few citizens end up with a red face when they have been tricked into going on some foolish errand and discover they have been on a wild goose chase after all. Oh well, April 1 comes just once a year.

Between the city and the Ohio line on old Route 422, the high winds of the past few days have taken an extremely high toll on signboards along the road side. Trees, too, in many instances have been stripped of limbs or have been blown down altogether.

About 7:30 o'clock Wednesday evening, local residents were looking for some sort of a twist. The skies above became blacker than they have been for many a day and the wind began whipping around for a few minutes seeing what it could catch in its wake. Fortunately the storm was short lived and settled down finally to an evening's rain.

There were 117 births recorded at the Jameson Memorial hospital during the past month, including a set of twins. The girls nosed out the boys by one, there being 59 girl babies and 58 boy babies recorded. (Continued on Page Two)

## G.N.C.A. To Elect Officers Tonight

New Directors Named In Mail Election, Directors To Name Officers

This evening in The Castleton hotel, directors of the Greater New Castle Association will convene to elect officers for the official year 1948-49 which begins today.

Currently holding office are the following: Ivor V. Davis, president; Richard E. Rentz, first vice-president; Dr. A. G. Reynolds, second vice-president; Dr. W. Fulton Jackson, secretary; and Lauri G. Laurell, treasurer.

New directors, to serve a two-year term, have been elected, this balloting having been accomplished by mail. The report of the GNCA election committee for the board members follows:

**New Directors**  
Division 1, C. M. Whittaker; 2, Merle W. Hart; 3, Harry W. Bowen; 4, J. A. Chambers; 5-A, L. B. Round; 5-B, G. A. Ritter; 6, R. A. (Continued on Page Two)

## Senate Excludes Spain From ERP

Marshall Plan Nations Must Decide If Spain Is To Be Given Help

By RAYMOND WILCOVE  
(U. S. Staff Correspondent)  
WASHINGTON, April 1.—Senate-house conferees today eliminated Spain as a participant in the European recovery program.

The conferees decided that the 16 Marshall plan nations of western Europe must decide whether Franco's Spain shall be included in the mutual assistance machinery.

This overrode the action of the house, which voted 188 to 104 to extend ERP aid to Spain.

Sen. Vandenberg (R) Mich., conference chairman, said it was agreed to eliminate Spain for the following reasons:

"1. The bill as originally drawn leaves membership in the organization of participating nations open to any other additional nations which may be invited.

"2. The conferees feel that the decision respecting Spain is the function and prerogative of the 16 participating nations which have already organized themselves into a cooperative unit under the recovery act."

Vandenberg emphasized that the way remains open for inclusion of Spain. (Continued on Page Two)

## U. S.-Argentina Set To Battle

Secretary Marshall And Argentine Minister Juan Bramuglia Prepare To Debate At Bogota

BOGOTA, Colombia, April 1.—(INS)—The United States and Argentina prepared to face each other today in open debate on widely divergent views concerning problems before the ninth Pan-American conference at Bogota.

The conference argument between U. S. Secretary of State Marshall and Argentine Foreign Minister Juan Bramuglia may prove one of the most historic in inter-American affairs.

Marshall is scheduled to speak at 4 p. m. (EST) and will be followed by Bramuglia.

**Tough Audience**  
Judging from earlier reactions, Marshall will have a tough audience. This was indicated by the strong approval given yesterday to a bitter speech by Mexican Foreign Minister Jaime Torres who accused the United States of indifference to the economic plight of southern neighbors.

In substance, Torres charged the U. S. with being a "fair weather" friend of Latin America.

Torres set forth in sharp terms the urgent needs of Latin American countries.

He noted that the standard of living in many countries is even lower than that of war-torn Germany and Austria, and pointed out that these latter are to be aided under the Marshall aid plan for Europe.

## Veteran "Daughters" Honored

Pictured above are four "young" ladies of Catholic Daughters of America, Court Teresa Irene No. 231, who have passed their 50th birthday anniversary. The veteran members of the local court are seated. Mrs. Victoria Flynn, and standing reading from left to right, Mrs. Anna Duff, Mrs. Anna O'Donnell and Mrs. Anna Sager. The women were feted at the C. D. of A. Wednesday evening's dinner program, held in the Ecclesian club.

## Taft Condemns Planned Negro Draft 'Sitdown'

Senator Raps "Civil Disobedience" Campaign Against Segregation Policy

WASHINGTON, April 1.—(INS)—Sen. Taft (R) Ohio, declared today that Negro advocates of a "civil disobedience" campaign against the draft and army segregation policies will only damage the cause of civil rights.

The GOP presidential candidate said he would vote for an anti-segregation amendment to the forthcoming draft legislation but joined other Republican senators in condemning the threat of a draft "sitdown" by Negroes. Taft said:

"They have no right to do that, if it's the law of the land. I'd vote for an amendment but if Congress goes the other way, they would not do their cause any good by 'civil disobedience'."

Sens. Morse (R) Ore., and Baldwin (R) Conn., members of the senate armed services committee, told Negro advocates of the plan that refusal to register or submit to induction in wartime would be "treasonable."

**Modified Segregation**  
Meantime, Gen. Jacob L. Devers, commander of army field forces, told reporters that present plans call for continuing the army's existing program of modified segregation. Under this arrangement, one battalion out of three in a regiment would be composed of Negro troops.

## County Youths Leave For Model Legislature

Three hundred future legislators will converge upon the State Capitol at Harrisburg on Friday and Saturday to participate in the first Youth and Government program being sponsored by the YMCA's of Pennsylvania in cooperation with officials at the Capitol. The legislators will be older high school boys who have been elected by their clubs to represent them at this Hi-Y Model Legislature.

County delegates include Ted Radabaugh and Tom Wallace of Union high school, and two youths from Ellwood City. William Nido and Jack Charles. Radabaugh is a senator while Wallace will have a seat in the House of Representatives.

The funds to finance the trip to the capital were raised through a project supervised by J. Arthur

## Tax Decision Noon Tomorrow

WASHINGTON, April 1.—(INS)—President Truman will make his decision on the four billion, 800 million dollar income tax reduction bill known to Congress at noon tomorrow. A presidential veto is indicated.

The president will send a message to Capitol Hill outlining his action and the reason for it when Congress convenes tomorrow.

## Mrs. Blake Waldo, Glenn Berry Head Cancer Fund Drive

Co-Chairmen Select Committees For Effort This Month; Need Is Urgent

The April campaign for funds for the Lawrence County Unit of the Pennsylvania Division, American Cancer Society, will be directed by Attorney J. Glenn Berry and Mrs. Blake H. Waldo, co-chairman.

Mr. Berry and Mrs. Waldo were selected as campaign chairmen by Dr. Mary Baker Davis, president, and the board of directors of the Lawrence County unit, and they immediately named heads of committees responsible for the success of the drive. The 1948 quota is \$12,000.

"Never before has the success of a drive meant so much," Mr. Berry and Mrs. Waldo declared in accepting the chairmanship. "Cancer claimed 15,000 lives in Pennsylvania in 1947, and its toll in Lawrence County is rising year after year."

"We can end this dreadful waste of life. We can do it by making funds available for research, service to cancer sufferers and public education. That is what the American Cancer Society does with the dimes and dollars it collects each year."

**Ask For Volunteers**  
The campaign co-chairmen immediately called for volunteer workers to make the drive here a success.

## Four US Marines Freed By Chinese Communist Forces

Held Captive In North China Since Christmas; Learn Fifth Was Killed

PEARL HARBOR, April 1.—(INS)—Pacific fleet headquarters in Pearl Harbor announced today that four U. S. Marines held captive by Communist troops in North China since last Christmas day have been released.

The announcement added that the body of a fifth Marine who died of wounds received in a brush with the Chinese Communist forces, will be returned to American authorities shortly.

The news was contained in a message to Pearl Harbor from Vice Admiral O. C. Badger, commander of the U. S. Naval forces of the western Pacific, based at Tsingtao on North China's Shantung peninsula.

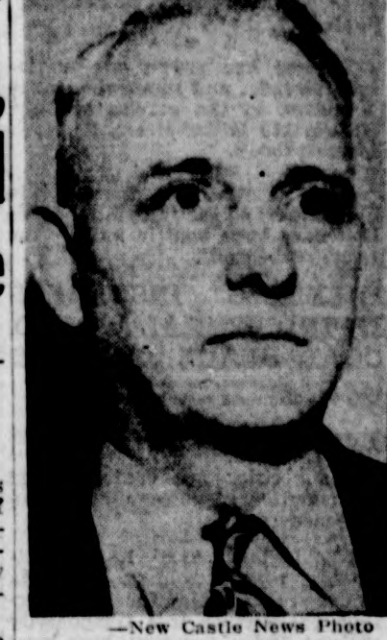

Adm. Badger reported that the four Marines, freed after more than three months of Communist captivity, are presently aboard the USS George Clymer en route to Tsingtao from Haiyang in North China.

The Marines were turned over to the Chinese Reds to American naval officers at Haiyang and simultaneously arrangements were concluded for return of the body of the fifth Marine fatally wounded in the Christmas day clash at Wangliantao, 30 miles north of Tsingtao.

**Identify Marines**  
The four Marines released by the Communists were officially identified as:  
Corp. William L. Pollard, 22, Fort Worth, Tex.  
Pfc. Carol W. Dickerson, 19, Olathe, Kan.  
Pvt. Robert Hart, 19. (Mother: Mrs. Mary Hart, 5325 Kincaid St., Pittsburgh, Pa.)  
Pfc. Thomas Kapodistria, 20. (Continued on Page Two)

## Frank D. Bowman Named New Chief Of City VA Office

Former Sharon Officer Assumes Duties As Administrator In Community

FRANK D. BOWMAN

With the abandonment of the Sharon office of the Veterans Administration, Frank D. Bowman, former head of the Mercer county bureau, has been named chief of the New Castle headquarters, it was announced today.

He succeeds A. L. Hohosh, who has resigned from the VA to enter private business.

The new officer-in-charge is a native of Pottsville and has been affiliated with the VA since its inception. Prior to taking over the Sharon office, he was with the Pittsburgh headquarters. Mr. Bowman has worked with service (Continued on Page Two)

## US Will Press For Jewish-Arab Palestine Truce

America Seeking Decision From UN Security Council On Far-East Issue

LAKE SUCCESS, N. Y., April 1.—(INS)—The United States will attempt to press the U. N. Security Council for a decision today in favor of an Arab-Jewish truce and a special general assembly session on Palestine by April 15.

U. S. Representative Warren R. Austin is planning to urge the 11-nation body to act speedily in turning the Palestine problem over to the 57-nation gathering.

## Daylight Saving Approval Given

Council Receives Second Communication Favoring Fast Time For Three Months

Second shot fired in favor of daylight savings time toward city council was discharged by the directors of the GNCA through Executive Vice President J. C. Wachtman. The first shot was launched by city and county retail lumber dealers Monday.

Mr. Wachtman's communication, read by City Clerk Jack Fritz stated that, he had been authorized to convey the directors' sentiment in favor of fast time during June, July and August, to the city fathers.

After the letter was read, Finance Director Albert A. Hoyland stated "we are getting a lot of requests urging council take appropriate action." He then asked "what action council can take in view of state law regarding the time?"

"As I said several days ago, the (Continued on Page 31)

## Soviets Demand Right To Check Passengers, U.S. To Use Airplanes

Russians Isolate Berlin From Allied Train Entrance—Americans Refuse Permission For Red Check Of Passengers—US Order Affects All Military Trains, Passenger And Freight—Soviets Install Guards At Entry Points—Planes To Be Used To Enter Berlin.

By OMER ANDERSON  
(U. S. Staff Correspondent)

BERLIN, April 1.—The United States military government in Germany cancelled all further military train schedules into and out of Berlin today after the Russians interfered with train passages.

The announcement disclosed that the Americans now will rely on airplane traffic to maintain contact with Berlin.

The American action was taken after several United States and British trains in the Berlin area were halted by the Russians who invoked new regulations on traffic at midnight.

(Reuters reported from Berlin that Soviet military police, armed with tommy guns, were installed at check points at the Brandenburg Gate, principal exit point between the British and Soviet sectors in Berlin.)

## Business Soars In New Castle During February

Penn State Research Bureau Says Area Shows 12 Per Cent Gain In Month

General business in the New Castle area during February made a new high for the month. This was announced today through the Bureau of Business Research at Penn State college.

The report stated that based on bank deposits, factory payrolls and industrial power sales, and using 1935-39 as 100, the index of business stood at 319, a gain of 12 per cent over last year.

From January to February the index fell 9 per cent after adjustment. New records for the month were made for bank deposits, (\$22,638) telephones and factory payrolls. Industrial power sales were the best ever recorded for a peace-time year, and postal receipts at \$27,952 were the largest since 1945. New car and truck sales soared to the highest peak since 1941 and factory employment was the highest since 1942.

Employee hours were up from a year ago but building operations showed a decline. A majority of series showed a decline from January to February after seasonal adjustment.

## Finns Reject Red Offer On Troops

By NED NORDNESS  
(U. S. Staff Correspondent)

HELSINKI, Finland, April 1.—Parliamentary leaders in Finland were reported today to have rejected a Soviet proposal that Russia be permitted to send Red Army troops into Finland whenever Moscow believes a threat of aggression exists.

The Soviet demand was made during negotiations in Moscow on a pact of mutual military assistance between Finland and Russia. The treaty talks in the Soviet capital were reported snagged by the Finnish opposition spearheaded by Socialists in parliament.

The next few days are expected (Continued on Page 31)

## Dental Society Gives Dinner Honoring Dr. E. Lee Boyles

Members of the Lawrence County Dental society royally entertained their wives at a beautifully appointed dinner at the Manse near New Wilmington on Tuesday evening when 54 took their places at the dinner tables where individually monogrammed gifts marked the ladies' places.

Highlighting the evening was a testimonial to Dr. and Mrs. E. Lee Boyles of this city. Dr. Boyles is western Pennsylvania's Dean of Dentists, having continuously practiced his profession here for the past 53 years and is still in active practice.

Professor Allen Davis, professor of voice at Westminster college, accompanied by Mrs. Davis, entertained the group with a number of vocal solos.

Following the musical interlude, games were in play until a late hour with prizes awarded to Mrs. W. L. Beal, Mrs. R. H. Gilmore, Mrs. Benjamin Moresky, Dr. and Mrs. A. G. Reynolds, Dr. and Mrs. J. K. Painter, Dr. T. K. Heess, Dr. T. J. McFate, Jr. and Dr. Herman Plant.

Dr. Herman Plant, president of the host society, was in charge of the meeting and made a short address to the assemblage and Mrs. Richard H. Gilmore, president of the ladies auxiliary, replied for the ladies.

Ladies of the auxiliary who volunteered to aid in the forthcoming cancer drive were Mrs. Benjamin Levin, Mrs. Henry Sloan, Mrs. Amzi Reynolds, Mrs. Benjamin Moresky, Mrs. T. K. Heess, Mrs. J. A. Meahan, Mrs. Kenneth E. Voorhees and Mrs. R. H. Gilmore.

Special guests present in addition to the honor guests, Dr. and Mrs. Boyles, were Dr. and Mrs. J. K. Painter of Ellwood City and Dr. and Mrs. Carl H. Muth of Pittsburgh. Dr. Muth, a former practitioner in New Wilmington, is now a surgeon in the U. S. Public Health Service, stationed at the U. S. Marine hospital, Pittsburgh.

Committee in charge of arrangements for the dinner was Dr. John A. Meahan, Dr. Kenneth E. Voorhees and Dr. Stanley P. Zaremba. On Tuesday, April 13, dentists, physicians, and nurses of the county will have a joint dinner meeting at The Castleton when a speaker will be heard on "Cancer of the Mouth". Dr. A. G. Reynolds is in charge of arrangements.

Plans are for an open church wedding in the Third U. P. church on Saturday, April 17, at 2:30 o'clock in the afternoon.

Miss Wehman has asked her sister, Mrs. Ellis Kegarse, to be her matron of honor, and Miss Erma Jean Shellhammer to attend her as junior bridesmaid.

Mr. Shellhammer, son of Mr. and Mrs. Ira H. Shellhammer, of 309 East Winter avenue, has asked Lorain Kennedy to be his best man and McKee Patterson, of Apollo, and Ellis Kegarse to usher.

**Daughter Born**  
Mr. and Mrs. George V. Hunter of Greenwood drive, Grove City, announce the birth of a daughter on March 27 in Bashline hospital. The baby has been named Audrey Louise.

Mrs. Hunter will be remembered here as the former Evelyn McMichael of Boyles avenue.

## JOYCE WEHMAN SETS APRIL WEDDING DATE

As a surprise for Miss Joyce Hope Wehman and her fiancé, Dale Shellhammer, Mr. and Mrs. Ellis Kegarse were hosts at a shower party on a recent evening in the home of the bride-elect's parents, Mr. and Mrs. J. R. Wehman, of 1034 Maryland avenue.

Various games were a pastime during the evening with prizes awarded to Mrs. Sylvester Ambuster, Mrs. Keith Armstrong, Carl O. Walton, and Sam Patterson.

Centering the table from which refreshments were served at the close of the evening, guests found a large cake inscribed "Joyce and Dale April 17, 1948." Decorations were carried out in green and white.

Plans are for an open church wedding in the Third U. P. church on Saturday, April 17, at 2:30 o'clock in the afternoon.

Miss Wehman has asked her sister, Mrs. Ellis Kegarse, to be her matron of honor, and Miss Erma Jean Shellhammer to attend her as junior bridesmaid.

## DAFFODIL LUNCHEON WCS'S SPRING EVENT

Women's Society of Christian Service of the First Methodist church held a daffodil luncheon for their March meeting on Wednesday afternoon at 1 o'clock in the church dining room.

Symbolizing spring in all its loveliness, the dining room was a bower of beauty with huge bouquets of forsythia and table decorations of daffodils and forsythia. The entire luncheon was carried out in the spring colors of yellow and white even to the daffodil yellow frocks worn by the ladies of the dining room committee, these adding a delightful note of color.

Mrs. W. L. Beal was general chairman.

Invocation was given by Mrs. David Rees, president of the W.S.C.S., and the program was in charge of the Queen Esther society.

Mrs. H. E. Wiant, third vice president of the W.S.C.S., presented Mrs. Ralph Shiner, president of the Queen Esthers, who in turn presented Mrs. Leonard Cramer in charge of the devotional period.

Mrs. James W. Moorehead, accompanied by Mrs. Jesse N. Kerr, sang "Trees" by Rabach and "Just for Today" by Salter.

Mrs. Wiant then introduced Mrs. Harry R. Ferguson, speaker of the afternoon, whose subject was "Christian Highways in Japan." It was a most enlightening talk supplemented by articles she brought with her for background—tiny Japanese dolls, Geisha girls and valuable woodcuts of Japanese landscapes.

Stephenson circle as hostesses included Mrs. David Rees, Mrs. T. A. Grauel, Mrs. H. C. Weaver, Mrs. Ira S. Fulkerson, Mrs. Andrew Dodds, Mrs. Ralph Shiner, Mrs. George Stoddard, Mrs. Floyd Nowling, Mrs. Walter Reneker, Mrs. B. F. Steinbrink, Mrs. W. F. Brinkley, Mrs. J. K. Hess, Mrs. Michael Bowden and Mrs. Sidney Lockley.

Those in charge of the dining room were Mrs. Martin R. Hornung, Mrs. W. A. Simler, Mrs. J. W. Anderson, Mrs. H. Gresh, Mrs. John W. Black, Mrs. J. O. Rodgers, Mrs. David Taylor, Mrs. Frank Marquis, Mrs. DeLace Cole, Mrs. H. C. Campbell and Mrs. E. P. Kellogg.

In charge of the luncheon were Mrs. J. H. Elmore, Mrs. E. C. Chapman and Mrs. W. O. Mayberry. Mrs. James Moorehead and Mrs. Leonard Cramer were in charge of decoration.

Next meeting of the W.S.C.S. will be a mothers-daughters banquet in the First Methodist church on April 28 at 6:30 p. m.

## J.H.W. GROUP TO GATHER MONDAY

Jean Hill Williamson Missionary society of Highland U. P. church will assemble on Monday evening, April 5, at 8 o'clock in the home of Mrs. Henry O. Stone, 235 Northview avenue.

Mrs. E. E. Grotefend will discuss "Christian Stewardship" as her subject, while Mrs. Charles Lumley will lead the worship period.

Mrs. A. D. Shifflet, Mrs. Elroy Reishelm, Miss Margaret McCreary, Miss Thelma Howell, Mrs. Clinton Kennaday, Miss Elizabeth Butz and Mrs. Jay L. Reed will be hostesses.

## Commissioners Ask Check Of Military Death List

### Ask Citizens To Check List For Errors Or Omissions In List Of Dead

In order to get as near an absolute check upon the names of the men who died in World War Two, the county commissioners today asked that a careful check be made of the list at hand. Work will start soon upon cutting the names of the men in the marble which will be used in the county war memorial and it is desired that the list be accurate.

A list of the known dead from Lawrence county is published as a part of this article. The county commissioners ask that every citizen read the list. Where any error in spelling are detected, or there are any omissions of names, it is asked that the county commissioners be notified so the errors can be corrected before the stone cutting is commenced. The list follows:

## MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many suffer from nagging backache, which they discover that the real cause of their trouble may be tired kidneys. The kidneys are nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 8 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatism, neuralgia, loss of pep and energy, swelling at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or empty passages with burning and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 million of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

## THE WORLD AND THE MUD PUDDLES

(Continued from Page Four)

the Convention will not be stamped by the 1940 Convention, by a unified gallery.

Among these native sons is mentioned the name of Governor Earl Warren of California. Mr. Warren's prominence is due to the fact that he was chosen Governor of California and elected to the California Primary where he was chosen at that Primary not only as the Republican candidate for Governor but as the Democratic candidate for Governor. We are a pretty partisan people and this double candidacy does not sit very well with the old-fashioned Republicans and Democrats. They don't like it. Warren got that way because he was more or less of a New Dealer. California had an opportunity of getting rid of the State Income Tax, but Warren was not for it. He not only was for the State Income Tax but he was for taxation generally, most of it of the Roosevelt type. He fathered the Social Security and Unemployment tax cohesiveness of the Federal government so that the employer every three months pays 2.7 percent on the amount paid to employees for the immediate three months preceding, and the employer is responsible for the payment by the employee of one percent—in all 3.7 per cent, which amounts to 14.8 per cent of his payroll annually. While the employer is responsible for the payment of one per cent of the employee's wages, he may pay it himself and deduct the amount from the wages paid. Then he fathered the Old Age Pension Law, which provides for the payment of Sixty Dollars a month to every man or woman sixty-five years of age or upward, having no means of support by way of a husband or children. This law costs the State several million dollars each year. Mr. Warren does not qualify strictly as a Republican candidate for President.

We next speak of Harold S. Stassen of Minnesota. He was governor of Minnesota and resigned to go to war. The war is over and he is back anxious to be on the Federal payroll and he has aimed high this time. He will be remembered as a Republican who supported F.D.R. consistently in the New Deal, so it is reasonable to suppose that he would still be a New Dealer if elected. Well, the Republicans do not want him but he will get a lot of votes; he is a pretty popular gentleman.

There is Arthur H. Vandenberg, the Republican Senator from Michigan. He is acting President of the Senate. He has had a lot of experience. He is just now very strong for spending Twenty Billion Dollars to carry out the Marshall plan, calculated to break Russia's plans for gobbling up the minor nations of Europe. You know there is still France, the Netherlands, Italy and Belgium, besides Norway, Sweden, Denmark, Luxembourg, Spain and Portugal. The last two seem to be hopeless for Stalin. Nevertheless, Mr. Vandenberg is very strong for the Marshall Plan, but let it be remembered that the Marshall Plan has a great many critics among both Republicans and Democrats, although the Marshall Plan can be considered a contribution of the Democratic Party. General Marshall and the President

are Democrats. Mr. Vandenberg has said he would only seek the office for one term, but a lot can happen in one term. While he leans somewhat toward the policies of the New Deal, he has many friends in the Republican Party.

Then there is Robert A. Taft. He like Vandenberg is a Senator and while he cannot be considered an isolationist—a word that is applied too often as constituting a badge of poor citizenship—he does think of the United States first and has campaigned against the Marshall Plan to the extent of reducing the initial amount to Four Billion Dollars, but was beaten by a vote of the Senate for the full amount asked for, to-wit, Five Billion Three Hundred Millions Dollars. There is nothing showy about Robert A. Taft and he comes from a mighty fine family that has had a lot of government experience. His grandfather was a member of Lincoln's Cabinet and Ambassador to Austria and Russia. His father was President of the United States and a Chief Justice of the Supreme Court of the United States. Robert A. Taft is a great student and is probably the best qualified member of the United States Senate to exercise his right to vote upon any subject that comes before the United States Senate, whether it be a wage hour law or a vote to present twenty billion dollars to the improvident and broken down nations of Europe. Robert A. Taft has never played up to the gallery. He has not sought publicity, but Robert A. Taft has a wife who is just nobody's business and her political ability is just too bad for the opposition who do make her into consideration. Robert A. Taft has the support of conservative Republicans and is going to command a lot of votes at the Republican National Convention.

Then we come to Thomas E. Dewey, Governor of the great State of New York. He was re-elected the last time as Governor of New York by such a great majority that he thought he would be able to carry the State of New York, without question, against Roosevelt in 1944, but that uncanny F. D. R. put on his great blanket coat and sailed forth the last moment in a driving rain and poured the City of New York in an open automobile. Whether that was the reason for the defeat of Dewey in that State or not is a question, but Dewey was not able to gather sufficient votes. Dewey has been, without question, the best governor the State of New York has had within the memory of man. He has carried on a very economic and successful execution of his great office, and just now at the present writing commands the most votes at the Republican National Convention.

Joseph W. Martin Jr. is also a favorite son who will very likely command the votes of the Massachusetts delegates on the initial ballot. Joseph Martin is the Speaker of the House of Representatives—a plain, intelligent American, with both feet on the ground. He disclaims any ambition to be President but, naturally, he will not do anything to avoid becoming a candidate of the Republican Party and the Convention might do worse.

There may be other names also—the names of favorite sons presented to the Convention, but I believe I have discussed in a very sketchy way the names of the men who will be placed for nomination at the Republican National Convention—all but one.

There is one more candidate—one who has not been present in the United States for several years, but who has been a great national figure in the Orient. I speak now of Douglas A. MacArthur, whose present address is Tokyo, Japan, where he sits as Commander of all the United States forces in the East and who directs all of the affairs of the Japanese people. It was he, who neglected by the great F. D. R. in Washington while he conducted a lost hope on Bataan Peninsula, was able to escape and eventually reach Australia, saying

"I will return" and he did return, triumphant; and who has gathered up the remnants of the once proud Japanese possession, and as Governor and Administrator of all the affairs of Japan is accredited by the Japanese themselves as a wonderful executive and a judge of a people who believed themselves to be able to successfully wage a war on the United States of America; and a man who today is regarded by those same proud Japanese as a man fit to rule; a man whose pictures were scattered over the United States from Maine to California, adorning the walls of schools, colleges and universities and the homes of merchants, manufacturers, lawyers, doctors and ordinary citizens. It was a picture of a proud man wearing a uniform which the man adorns—a fit emblem to be presented to the youth of America and one calculated to stir all the finer qualities of patriotism in their hearts.

And this man has consented to permit his name to be suggested to the delegates at the Republican National Convention as a candidate for President of the United States.

It will be remembered what Eisenhower said when he was importuned to become a candidate—that he was not a politician nor the son of a politician and doubted whether he could ever measure up to the demands that would be made upon him by the politicians; that he believed a military commander would not make a good President. In this particular, this nation has only had two military men who measured up to fully qualify as President of the United States of America—George Washington and Andrew Jackson. Andrew Jackson was the only President of the United States who went out of office after eight years of service leaving the United States absolutely free of debt and money in the Treasury. We will never see his like again. He was a very irascible man and not afraid to act—witness his breaking a cane on the back of a would-be assassin on the steps of the National Capitol. No one can accuse Jackson of being a half-fellow-well-met, or of possessing any social qualification for his high office. He was a rough-and-ready President. When it came to matters of legislation, he will be remembered as the man who wrecked the Bank of the United States. He believed such a Bank would become the means of financially ruining the nation. There has been a great deal of printer's ink used in arguing whether he was right or wrong, but he did it. And General MacArthur may be the answer to the question: "Who will be the next President of the United States?"

Margaret, daughter of Mr. and Mrs. Albert Grieve, of 21 Smithfield street, is confined to her home with illness.

didate in this primary race. A mythical candidate, one might almost say, Gen. Douglas MacArthur is in Tokyo, 6000 miles away. Yet the legend of his prowess and the glamour of his purple personality exert a powerful sway over the imagination in a troubled time.

Maybe, says the uncertain citizen, we'd better have a strong man, a general, in the White House so we can show those Russians we mean business. And so potent is that appeal, compounded of fear and uneasiness, that the general in Tokyo may sweep this Wisconsin primary election.

That is something that has little to do with America's political traditions. It has little to do with the candidate who stands in the doorway of the YMCA gymnasium, smiling and shaking hands. Candidate Stassen has two more meetings in two other towns and also

## Jimmy's New Store Will Open Friday

Auto Supply Store Closed During War, Opening Friday With Complete Line

East Washington street in the vicinity of the bridge will see the opening of a new store on Friday, April 2, at 9 a. m. when Jimmy's Auto, Bike and Sports Supplies Store opens at 245 East Washington street.

It is really the reopening of what was formerly Jimmy's Auto Store operated here until September '42 by James (Jimmy) Meyers, proprietor of the new store.

Mr. Meyers has been engaged in the auto supply business for 26 years and has been a resident of New Castle for the past 15 years.

The store policy will be to carry nationally advertised brands of merchandise at competitive prices and to carry out a policy of money back if not satisfied.

Meyers are invited to inspect the Friends and prospective customers are invited to inspect the new store.

## EDENBURG

### BIRTHDAY PARTY

The home of Mr. and Mrs. Fred Coates was the scene of a lovely party on March 25 when the children and grandchildren of Mrs. Laura Coates gathered in surprise fashion to honor Mrs. Coates on her birthday. Dinner was served to 21 guests. Mrs. Coates received many lovely and useful gifts.

### CHURCH NOTES

The choir of the Christian church sang the cantata "The Thorn Crowned King" by Fred Holton on Easter Sunday morning. Special parts were taken by Jessie Dickson, Donna and Jean Park, Fred Coates, Norene Coates and Irvin Hofmeister.

A large attendance was present Sunday evening for the Easter program presented in the Methodist church. During the past few weeks the entire building has been papered, giving it a nice appearance for Easter Sunday.

### EDENBURG NOTES

Rodger Koch, infant son of Rev. and Mrs. Henry Koch, has been quite ill at his home for two weeks. Vivian Coates has been confined to her home with the chickenpox for some time.

Mr. and Mrs. Alfred Graham attended church in Youngstown on Sunday.

Mr. and Mrs. Carl Kirshner of New Castle were visitors here Sunday.

I. M. Hofmeister sang in the cantata at the Third U. P. church in New Castle on Sunday evening. He was a dinner guest in the home of his sister, Mrs. James McWilliams. Miss Sarah McIntosh is visiting at the home of Mrs. John Davis in New Castle.

Mrs. George Nicholls, Jr., and son Jan Arthur spent a few days at the home of Mr. and Mrs. Glenn Ward in Youngstown. Mrs. Ward is slowly recuperating from an operation.

Mrs. Joseph Zinn and daughter Patricia of Warren, O., were Easter visitors at the home of Mr. and Mrs. Jack Sedgwick on the North Side.

Jack and Tom Enright of Youngstown visited with H. R. Schock who has been ill for some time.

Mrs. Charles Loudon and daughter Rebecca of the Youngstown road were callers at the home of Mrs. Nora Kaufman on Sunday.

Mr. and Mrs. J. M. Lease, Mr. and Mrs. Martin Lease and family of Baden, Pa., Mr. and Mrs. Richard Biddle and family of New Castle and Mr. and Mrs. Ray Biddle were callers at the home of Mr. and Mrs. H. R. Schock.

Mr. and Mrs. William Egbert of the Youngstown road were callers at the home of Mr. and Mrs. William Toy, Sunday. Mr. Toy is slowly improving from an extended illness.

Mrs. Roy Unangst has concluded a week's visit to the home of Mr. and Mrs. Neil Moudyk, Washington, D. C.

Mrs. George Nicholls, Jr., and son Jan Arthur and Mrs. Alton Nofsker, Sr., were Monday visitors in Pittsburgh and Aspinwall, Pa.

A number of pupils from the Edensburg independent school have been confined to their homes with chickenpox for the past several weeks.

In the 19th century in Europe it was the custom of fashionable ladies and gentlemen to have portraits painted of their eyes, and to wear them in brooches, lockets, rings and snuff boxes.

## HILLVILLE

Women's Society of Christian Service of the Methodist church will hold their regular monthly meeting on Thursday evening at the home of Mrs. James Eakin with Mrs. Jennie Hillish as associate hostess.

The Easter Sunrise services held on the public square by the Methodist church was greatly enjoyed and very well attended. Wright Hoffmaster has returned to his home after spending the past few days visiting at the Purina Research Farm at St. Louis, Mo.

Mr. and Mrs. Thomas Davis and son, William, of Warren, O., and Mr. and Mrs. Lawrence Kimminken and family of Bessemer were Easter Sunday visitors with their parents, Mr. and Mrs. W. W. Gilmore.

Mr. and Mrs. C. E. Shiplet and family of Sharon, were Easter Sunday visitors at the home of Harry Murphy and daughter, Mary Jane.

Miss Helen Eakin, who is a patient in the Jameson Memorial Hospital, is improving nicely and expects to be home soon.

Mr. and Mrs. George McAnlis and Miss Mary Young of New Galilee were recent guests at the home of Mr. and Mrs. Wright Hoffmaster.

Mr. and Mrs. Ben Latshaw of

Warren, Pa., were week end guests at the home of their daughter, Mrs. Dwight McCurdy and family and their son, Vylus Latshaw and family.

Miss Margaret Pearl Hartford, student at Geneva College, Beaver

Falls, has returned to her studies after spending the Easter vacation with her parents, Mr. and Mrs. Jefferson Hartford.

Mr. and Mrs. Charles Hawes were recent New Castle visitors.

The earliest records of the state of Nebraska are the rocks and soil. These indicate that this part of the U. S. has at times been the bottom of the sea and at other times has been elevated above the water;

that at one time it had a tropical climate, and later was covered with ice.

Railway postal car service in the U. S. began in 1864.

**GIVING UP SEAPORTS**  
NANKING, April 1.—(INS)—The Chinese government announced Wednesday it has decided to abandon three seaports on the

north coast of the Shantung promontory to communist forces. A government military spokesman told a news conference in Nanking that Nationalist troops shortly will be withdrawn from

Lungkow, Penglai and the former treaty port of Weihaiwei. Each year 3,000 infants under one year of age die from accidents in the United States.

## Housing Shortage Continuance Seen

Definite Benefit To Tenants Seen In Extension Of Present Rent Controls

HARRISBURG, April 1.—(INS)—

The nation's new rent control statute prompted the Pennsylvania Real Estate Association today to forecast a prolonged housing shortage although President H. W. Mathieu, of Norristown, said tenants "definitely benefited from the new law."

He pointed out that tenants may obtain leases through December 31, 1949, by voluntary agreement to the 15 per cent rent increase allowed by the new law. Mathieu emphasized that rentals could not be increased if tenants had agreed to a 15 per cent rent increase under the 1947 act. "We certainly hope this is the last extension of rent controls congress will make," he said, "because we feel that until definite assurance is given that restrictions will be dropped the housing shortage will continue."

**Landlords Benefit**  
He pointed out that landlords also benefited to some degree under the new law approved by President Truman.

"Property owners received one break under the new setup," Mathieu asserted, "because all rental housing units on which increases were permitted under the 1947 act are decontrolled if they become vacant between January 1 and March 31, this year."

He forecast what he called a "looser market" under the new rent law but said it would not be sufficient to "cause any relief in the housing shortage."

## Senior High Choir Gives Program At Lions Club Meeting

Splendid Program Of Entertainment Presented By A Cappella Choir At Luncheon Meeting

Members of the Senior High school a cappella choir presented their usual fine entertainment when they made their annual appearance before New Castle Lions at their noon luncheon meeting in The Castleton, Tuesday noon.

The choir this year is a large and well balanced organization and has been trained by Director Robert A. Duff. They presented a splendid group of numbers, which was well received by the club.

Miss Ruth Simon, contralto, took a fine solo part, and Miss Lois Baum served as accompanist.

Charles P. Walther, of The News, spoke to the club about the Boosters Club banquet, in the interest of the local Mid-Atlantic Club at The Cathedral, April 21.

Other visitors included: Kenneth J. Weruli, of Hudson, O.; C. R. Price, New Castle; Jim Bunting, Pittsburgh; O. B. Rossteld, Pittsburgh; Mel Guy, Ellwood City; Emerson Walker, Ellwood City; and David C. Hamilton, New Castle.

## MORAVIA

### CHURCH NEWS

Preparatory services will be held at the Moravia Presbyterian church, Friday evening, April 2, at 8 o'clock. Rev. Pringle of the Bell Memorial church of Ellwood City, will be the guest speaker. Following the services the Willing Workers class will hold their regular monthly meeting in the dining room of the church.

### MORAVIA NOTES

Recent guests at the home of Mr. and Mrs. W. L. Seare were: Miss Clara Crawford, of New Castle, and Mr. and Mrs. Arthur Clark, of Beaver Falls.

Miss Doris Benson and Johnny Anderson, college students, are spending the Easter vacation with their parents.

Mrs. Ed. Stephenson, Mr. and Mrs. Stanley Majocka and son, Skippy and Mr. and Mrs. Ralph Hodge of Mahoningtown, were recent guests of Mr. and Mrs. John Chambers.

### Court House

## Braham Holds Sentence Court

Large Number Of Prisoners  
Before Court For Sen-  
tences On Various  
Charges

### WORK STARTED ON MEMORIAL

Judge W. Walter Braham held sentence court on Wednesday, when a number of prisoners were before the court on various charges.

Robert W. Baum, of East Washington street, charged with indecent assault, on complaint of two young girls, was sentenced to pay a fine of \$100 and costs, and to undergo imprisonment in the Lawrence County jail for six months in each case, the sentences to run concurrently.

Baum had pleaded no defense to the charges and threw himself on the mercy of the court.

W. J. White, John A. Bennett, and Harry A. Donnelly, of the Ellwood City district, were before the court on charges of larceny and receiving stolen goods, in connection with the theft of some steel from an Ellwood City junk yard. White was sentenced to pay a fine of \$100 and costs and undergo from 6 to 12 months imprisonment in the Allegheny County Workhouse, Bennett and Donnelly, who were more or less just accessories to the theft, were sentenced to pay fines of \$50 and costs, and undergo imprisonment in the county jail for from 3 to 6 months.

John R. Douth, Jr., of West Washington street extension, charged with taking the car of A. G. Fowler of R.D. 5, from the Shenango Pottery Company parking lot, was sentenced to not less than six nor more than 12 months in the county jail.

Gall R. Slater, of R.D. 2, Volant, charged with receiving stolen goods, which had been taken from the Greenville Steel Car Co., was sentenced to pay \$50 and costs, within a period of sixty days.

James Lane, who had been placed on parole on a morals charge on December 20, after having been sentenced to six months in the county jail on October 1, on a morals charge, was before the court for violation of his parole. He was charged with assault and battery on the person of his wife, Judge Braham sentenced him to serve out the balance of his term.

### MEMORIAL WORK BEGINS

Work on the construction of the memorial to the men of Lawrence County, who gave their lives in World War Two, got underway Wednesday, when the contractor began excavating for the foundation of the memorial.

It will occupy a space 20 feet square, at the southwest corner of the Court House property, namely at East Washington and Court streets.

### CRASH KILLS TWO

NEW YORK, April 1.—(INS)—A low-flying air force fighter plane crashed and burst into flame, killing both its occupants Wednesday in Hempstead turnpike in East Hempstead, N. Y.

The victims were members of the 52nd fighter group, approaching the Mitchell air force base for a landing after a routine flight. Their names were withheld pending notification of next of kin.

## Around Hollywood

By FRANK NEILL

(International News Service Staff Correspondent)

HOLLYWOOD, April 1.—(INS)—

Cecil B. DeMille, the evangelist of the celluloid, is looking for an actor to portray Samson, the guy who got clipped by a doll.

Samson is known generally as a muscle man from the hills who rubbed the Philistine for the wrong way. DeMille, after fashioning a screen play from the book of Judges, knows Samson was much more than just a strong boy.

Brown and Braine. "C. B." explained today that Samson had brown—and brains. His heft was not a la "Mr. America". He was a king-size gent who happened to be born big. The Danites didn't have weight-lifting contests.

DeMille added: "This Samson was quite a kid. Tremendous body. Fine, sensitive nature and when he was filled with divine inspiration he was like the atom-devastating potential."

And that, the veteran movie-maker said, is the tough part of finding an actor to fill Samson's big brogans. DeMille went on:

"Nine times out of ten, if an established star is used to portray a legendary figure, it will bring down the wrath of thousands of film fans."

Need Unknown Actor

"You simply can't humanize legendary figures in terms of well-known persons."

"Our Samson, in all likelihood, will be an unknown. Some handsome Goliath who will stir the imagination of the public."

There you are, buddy: If you happen to be a pretty Go-

liath with a flair for stirring, step up to DeMille's door and make a pitch to star in Samson and Delilah at the Paramount film factory.

### Interesting Notes

Off the cuff.—Phillip Dorn will tie to his native Holland come July to adopt an eight-year-old war orphan. . . Vincent Price has purchased a yarn, "Lady in the Harbor", dealing with the Statue of Liberty. He is so anxious to see it screened that any studio can have the story for free. . . Bing Crosby mixed a juicy offer to star his four sons on a summer radio show.

George Montgomery is building a fly-in dude ranch on part of the 20,000 acres he owns in Montana. John Wayne is paying Orson Welles, now in Italy, for a co-starring role in "Wake of the Red Witch" at Republic studios.

## Deer Damages Home At East Liverpool

EAST LIVERPOOL, O., April 1.—(INS)—Mr. and Mrs. Robert Hadley today had to replace two double glass windows in the home after a frightened deer leaped through one and escaped out the other.

The deer was frightened when a taxi driver swerved to avoid hitting it.

Besides the windows, the deer damaged curtains and drapes and left a trail of blood in the Hadley home.

## Escaped Patient Is Found Dead

HARRISBURG, April 1.—(INS)—

State police identified the body of a man found on a Cumberland county farm as Frederick J. Bievenue, 35, of York, an escaped patient of Harrisburg State hospital.

Police said the man, who had been dead for approximately six weeks, was identified through laundry marks on his clothing. The body was discovered in a fence row at nearby Camp Hill by Clarence Hoffman, 16, as he started to plow a field.

Hospital authorities said Bievenue fled the hospital February 15. An autopsy showed a heart condition was the cause of death, police said.

It is said that people in the Arctic regions can converse when more than a mile apart. This is due to the cold dense air and the smooth surface of the ice, both favoring the transmission of sound.

## BRIDE AND GROOM RETURN FROM EAST

Mr. and Mrs. James Gordon Bennett, Jr., nee Marjorie Beck, have returned from a wedding trip to New York City and have taken up residence for the present at the home of the bride's parents, Mr. and Mrs. Kenneth H. Beck, 227 Boyles avenue.

Their wedding was an event of March 20 and was solemnized in the First Baptist church of Pittsburgh at 7:30 o'clock with Rev. Lillburn B. Moseley, pastor of the church, officiating.

Miss Eleanor McMichael of Oakdale, her four-year roommate at Westminster college, was the bride's only attendant.

James McElfish of Edgewood served the bridegroom as best man.

Following the ceremony there was a reception in the Fountain Room of the church.

Mrs. Bennett, Jr., is a graduate of Westminster college where she is presently taking post-graduate work toward a master's degree. She is a teacher in the Mahoningtown school of this city.

Mr. Bennett, Jr., who is the son of Mr. and Mrs. J. G. Bennett of Edgewood, is also a graduate of Westminster college and is employed in Pittsburgh as an accountant.

## FORMER RESIDENTS WILL BE HONORED

From California comes word that Mr. and Mrs. James E. Blaine will have "open house" for their parents, Mr. and Mrs. A. M. McConaghy, one-time residents of New Castle, at their home, 7814 Arvilla avenue, Roscoe, California, in honor of the McConaghy's fiftieth wedding anniversary on April 20.

Hours for the reception will be 1 to 10 p. m., Pacific coast time.

Mr. and Mrs. McConaghy, who now make their home at the above address with the Blaines, lived here on the Butler road, until 11 years ago when they moved to Roscoe.

## Guest Night Planned

At the executive meeting of the Degree of Honor in the home of Mrs. Bernetta Mielke, Willow Grove, on Wednesday evening with Mrs. Lillian Taylor as co-hostess, plans were completed for guest night on April 9. Mrs. Lillian Conner presided and committees were named.

They are: dining room, Mrs. Lillian Taylor, Mrs. Mary Patterson, Mrs. Lillian Hunter and Mrs. Katherine Arblaster; entertainment, Mrs. Bernetta Mielke and Mrs. Beatrice McNicholas.

It was announced that there will be a special practice of the drill team and officers Saturday at 7 p. m. in the I. O. O. F. hall.

Cards were in play during the latter part of the evening with prizes going to Mrs. Ola Gilkey and Mrs. Helen Darynkiewicz.

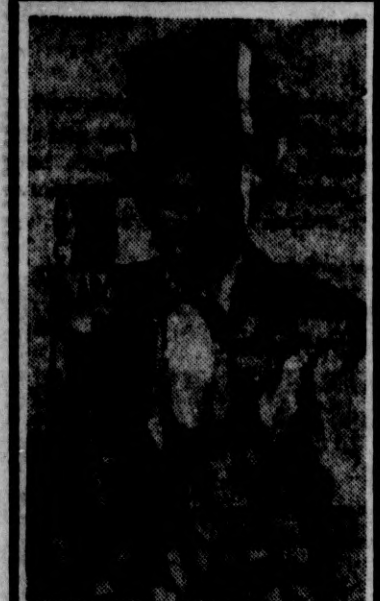

A lunch was served by the hostesses.

## FAREWELL DINNER FOR A. R. HEIZMAN

As a farewell for Mr. and Mrs. Arthur R. Heizman, of 421 East Leasure avenue, who plan to leave soon to take up residence in Albany, N. Y., a group of friends entertained at a dinner on a recent evening at the Mansie near New Wilmington.

Dinner was served at a table prettily centered with spring flowers where covers were laid for 12.

Mr. and Mrs. Heizman were presented with a gift for use in their new home and during the evening the group compiled a scrapbook of memories of their years in New Castle and presented it to them.

Arrangements for the dinner were in charge of Mrs. Richard Marquis and Mrs. Robert Genslinger.

Mr. Heizman, who has been connected with the National Cash Register company here for a number of years, will take up new duties April 5 as manager of the Albany branch office of the company.

## FEDERATION JUNIORS ELECTION TONIGHT

## OFFICE STAFF GIVES FAREWELL DINNER

Employees of the National Cash Register company office from throughout the six-county district served by the local office, and their wives, assembled Wednesday evening at a suburban tearoom for dinner as a farewell for Arthur R. Heizman, office manager, and Mrs. Heizman.

At 7:30 o'clock 28 guests found places marked with name cards at a T-shaped table decorated with a vase of mixed spring flowers.

Ralph Miller, acting as M. C., called on each one present for brief remarks and Mr. Heizman replied to the round of good wishes for the future.

On behalf of the group, Miss Bernice Taylor presented an orchid to Mrs. Heizman and to Mr. Heizman a gift for his new home in Albany was presented by Mr. Miller.

Arrangements for the dinner were in charge of Mrs. Taylor, Walter, Szymkiewicz, Frank McGrew, Al Jones and Robert Young.

Mr. Heizman will leave Sunday for Albany, N. Y., to take up duties as manager of the National Cash Register company office there on April 5.

## WESTFIELD GROUP DISCUSSES "PEACE"

King's Daughters of Westfield Presbyterian church gathered Wednesday evening in the home of Miss Margaret Fullerton, North Beaver township. Using "Jesus' Teachings Practiced" as her theme, Mrs. Verlyn Stearns was devotional leader.

"Peace" was the subject for discussion. "What the U. N. Has Accomplished in Relation to Christian Women" was Mrs. Harry Emery's topic. Mrs. J. W. Fullerton read a letter from a minister's wife in Czechoslovakia, telling of the hardships in that country. Mrs. John M. Fife spoke on the theme, "College Training for Young People in Relation to Full Time Christian Service." Miss Edna Cox discussed the subject, "Peace."

Mrs. Willis McCurley, accompanied by Mrs. Willis Gwin, offered a vocal selection. Mrs. Charles Raney gave a message from a missionary that has returned to Japan.

Miss Florence Ehle closed the program with prayer.

Miss Ruth Kelo, president, appointed Mrs. Harold Wallace and Mrs. William Fox as delegates to attend the spring Presbyterial April 22, at New Wilmington.

A tasty lunch was served by Miss Fullerton, aided by Mrs. Raney and Mrs. John Benson, co-hostesses.

Mrs. Harry Reed, North Beaver township, will entertain at her home Wednesday evening, April 28, when Mrs. Benson will be the leader.

Engagement of Interest

Of interest here is the announcement of the engagement of Miss Delphine Mills, daughter of Mrs. Timothy J. Ford, Jr., of Butler R. D. 1, and Hans Williams Dyke, son of Mr. and Mrs. Hans W. Dyke, of 507 Federal street, Butler.

Miss Mills some years ago resided here with her family at 618 Allen street and attended New Castle public schools.

The engagement will terminate in May wedding.

Taylor Auxiliary Meets

Ladies Auxiliary of Taylor Township Fire Department met for their regular meeting on Wednesday in the Fire Hall, with Mrs. M. Kessler presiding.

Following business, a social period of cards and other games was enjoyed with high score trophies being awarded to Mrs. John Reitor and Miss Irene Palatko.

Refreshments were served by Mrs. George Falaiko and Mrs. Andrew Tussie. The next regular meeting will be held in the Fire Hall on Wednesday, April 28, with Mary Allegro and Percetta Dancio.

## Will Reactivate Alaskan Pipeline

Step Taken In Meeting Skyrocketing Demand For Aircraft Fuel, In Far North

ANCHORAGE, Alaska, April 1. (INS) — Alaskan command headquarters said today it is reactivating a large section of the multi-million dollar Canol oil pipeline as one step in meeting skyrocketing aircraft fuel requirements.

But this reactivation, it was added, will fall far short of providing the 300,000 barrels a month of fuel needed.

This figure would jump to a minimum of 900,000 barrels of petroleum and petroleum products a month in case of an emergency.

The command headquarters proposed to meet this demand with an eight-inch pipeline from a deep water port to the Fairbanks, Alaska, area to accommodate planes at Mile 26 and at Fairbanks.

Fuel Important

A high command staff officer declared that liquid fuel is probably the most important single item other than subsistence to be considered in the supply of the Alaskan theater.

He said: "Our petroleum requirements for aviation gas, motor gas and diesel fuel are tremendous."

"Our present aircraft fuel requirements will skyrocket with the arrival of jet aircraft and the substitution of B-50's for B-29's."

"An urgent need exists for an eight-inch pipeline from a deep water port in view of the increased petroleum requirements."

The first correspondence school was founded in England in 1880.

## Youngstown Vet Commits Suicide By Leap In River

YOUNGSTOWN, O., April 1. (INS) — Funeral services will be held tomorrow for Walter Gibson Snyder, Jr., 43, of Youngstown, who committed suicide by jumping into the Mahoning river Tuesday night.

A verdict of suicide was given by the Mahoning county coroner, Dave A. Belinkey.

James Booth of Youngstown told police that Snyder walked up to him on the bridge and asked about the depth of the water.

Booth told him the water was about 20 feet deep.

Snyder then climbed over the railing and plunged to his death in the water 80 feet below.

He was a veteran of the last war.

## Dr. Vincent Bennett Will Address Youth

PORTERSVILLE, April 1. — Dr. Vincent Bennett of Wheaton, Ill., a noted author, Bible teacher, evangelist and Gospel song writer, will be the speaker Saturday evening at 8 o'clock, at the Portersville Youth for Christ service.

The service is planned for the Portersville U. P. church. Special music, both vocal and instrumental will be provided during the meeting.

## Youths Complete Naval Training

Chief Machinist's Mate S. E. Bond of the New Castle Recruiting Station, announces the completion of Naval Recruit Training of five more New Castle youths: Lawrence James Hollinback, of R. D. 2; Donald Martin Morgan, of 721 Butler avenue; Charles Raymond Llewellyn, of R. D. 1; Henry Jackson, of 614 W. State St.; Eugene Kenneth Hassan, of 1414 Hamilton street. They are now at home enjoying twelve days leave.

Upon completion of leave they will return to the training center for further assignment to either a navy specialty school or to duty aboard one of the ships of the U. S. fleet.

Utensils and dishes used in the preparation of a meal pile up on the cook, especially the inexperienced one. Fill them with water before the meal, as you empty them into the serving dishes, then use a vegetable brush to remove stuck particles, and stack them ready for washing. With everything rinsed and neatly stacked, the washing goes fast.

### Guidance Expert Here April 5, 6

Miss Mary Jane Wyland Will Check On Program Started In Public Schools

Miss Mary Jane Wyland, guidance expert, will be here April 5 and 6 to check on the program she started in the local schools a year ago. The program consists of all types of guidance work. During her stay here, Miss Wyland will address several groups at six meetings, according to Dr. Frank L. Burton, superintendent of schools. In addition to checking on the guidance program, the meetings are being held in an effort to coordinate the schools, the school board and the various agencies connected with the schools.

The schedule for the meetings follows:  
April 5  
10 a. m.—Senior high school, guidance group.  
12:45 p. m.—Luncheon at George Washington, all local principals.  
3 p. m.—Senior high school, general teachers meeting.  
7 p. m.—Home of Mrs. N. P. Nelson, executive committee and school board.

April 6  
9:30 a. m.—Senior high school, junior high school representatives.  
3 p. m.—Senior high school, all of the school teachers.  
6:30 p. m.—George Washington dinner meeting, all of the agencies connected with the school.  
Dr. Frank L. Burton, local school superintendent, believes that the program is definitely a progressive step that should enable the students to cope with any problems that will arise in later life.

**FINNS OBJECTING**  
LONDON, April 1.—(INS)—Reuters reported from Helsinki Wednesday that the Russo-Finnish mutual aid pact is being delayed by Finnish objections. The dispatch said the Finns want the agreement to say that Soviet troops will be sent to Finland's assistance only if they are requested.

**JUST TOO BAD**  
PRAGUE, April 1.—(INS)—Czechoslovakia's communist government charged officially Wednesday that members of the French embassy in Prague had attempted to help two former ministers to escape from the country.

### Two New Power Plants Planned

WHEELING, W. Va., April 1.—(INS)—Phillips Sporn, president of the American Gas & Electric company, last night told the annual dinner of the Ohio Valley Board of Trade that two completely new power plants will be built on the Ohio river at an approximate cost of \$265,000,000.

Sporn said that the Tidd plant near Brilliant, O., will be extended, doubling its capacity, and an addition will be made to a plant in Indiana. When expanded to their ultimate capacity, the proposed plants on the Ohio river alone will have a capacity of almost 2½ million horse power and will be capable of generating over 13½ billion kilowatt-hours of electric energy a year.

**FORD RETURNING**  
SOUTHAMPTON, Eng., April 1.—(INS)—Henry Ford II boarded the liner Queen Mary Wednesday to return to the United States after a lengthy tour of Ford European plants. He said the first post-war exports of British made Fords to the United States will begin within two weeks. Four hundred and fifty cars are ready to be sent now, and another 1,000 will be sent in May.

### Syphilis Control Being Discussed

HARRISBURG, April 1.—(INS)—The state health department will conduct its second annual seminar on the treatment of syphilis today at Harrisburg.

Doctor-directors of the 165 state-subsidized venereal disease clinics and supervisors of the state public health nursing bureaus are scheduled to discuss the commonwealth's control program with representatives of the U. S. public health service. Speakers will include deputy health secretary J. Moore Campbell, Drs. Norman R. Ingraham, Jr., assistant professor of dermatology

and syphilology at the University of Pennsylvania's medical school, and S. L. Grossman, chairman of the venereal disease commission of the State Medical society.

**TAFT SPEAKS MIND**  
WASHINGTON, April 1.—(INS)—Sen. Taft (R. Ohio, said Wednesday that federal housing policy "inflated the economy by five billion dollars" last year.

Taft made the statement in urging a revision of housing loan procedure at a Senate committee hearing. He was appearing in behalf of the Taft-Ellender-Wagner housing bill.

## Striking Miners Are Not Eligible For Compensation

State Rules That 100,000 Soft Coal Miners Cannot Collect Unemployed Benefits

HARRISBURG, April 1.—(INS)—Pennsylvania's 100,000 striking bituminous miners today are ineligible for unemployment benefits.

The soft coal diggers, who began leaving the pits in a spontaneous walkout March 15 to enforce demands for a \$100-a-month pension plan, were "disqualified" in a ruling by the state bureau of employment and unemployment compensation.

Although President John L. Lewis of the United Mine Workers of America did not issue a strike call in the nationwide walkout, the bureau found that a strike exists, Director A. J. Caruso announced.

"The bureau has carefully analyzed the information submitted and is of the opinion that a labor dispute exists between the United Mine Workers of America and the various operating companies of the bituminous industry of Pennsylvania," Caruso stated.

"This means that all members of the various participating local

unions of the UMW are ruled to be directly interested in the labor dispute and therefore disqualified," he added.

Some Are Eligible  
As a result of the ruling, mine workers claiming unemployment payments and those seeking jobless benefits as veterans under the servicemen's readjustment allowance act are disqualified, he explained.

Workers at non-union mines who were furloughed by their employers because of the dispute will be eligible for benefits if they can show they have not "participated in the walkout" through some positive, sympathetic act, Caruso said.

Workers in related or allied industries who are not members of local unions involved but who have been laid off because of the dispute also are eligible for unemployment payments, he added.

## Murderer Loses New Trial Appeal

NORRISTOWN, Pa., April 1.—(INS)—Gerald C. Wentzel, 38, of Pottstown, convicted of murder in strangling of Mrs. Miriam Green, 28-year-old divorcee, Wednesday lost his appeal for a new trial.

Judge George C. Corson handed down the decision and ordered Wentzel, now free in \$25,000 bail, to appear April 9 for sentencing.

Defense attorneys announced an appeal would be made to the state supreme court.

Mrs. Green was found dead in her Pottstown apartment on December 9, 1946, apparently strangled by a woman's scarf, not her own.

## Farmers Planning Increased Acreage

Five Principal Crops Will Be Planted Heavily By Farmers In State

HARRISBURG, April 1.—(INS)—Pennsylvania farmers will increase their acreage of five principal crops this year but will plant less of other farm products. The state agriculture department

reported today that farmers have indicated they will produce more corn, oats, wheat, potatoes and hay during 1948, but will reduce planting of barley, rye, soybeans and tobacco.

A survey disclosed that they will devote approximately 1,424,000 acres toward corn production, an increase of four per cent over the 1947 acreage which produced approximately 57,500,000 bushels, the department announced.

Wheat seeding last fall totaled 994,000 acres, an increase of five per cent, the department said.

Oats, a poor crop in 1947, will be

planted on 836,000 acres, 10 per cent more than last year, while potato acreage will be boosted one per cent to 112,000 acres. Hay planting will be increased two per cent to 2,486,000 acres.

Eight per cent less barley will be planted, the department reported, while 24,000 acres of rye will be the lowest planting of that crop on record. Soybean acreage will be down 10 per cent to 45,000 acres and tobacco planting will be approximately one per cent less than the 39,000 acres of 1947.

## Movies To Portray Steubenville Vice And 12 Crusaders

STEUBENVILLE, O., April 1.—(INS)—The story of the 12 preachers who battled the vice lords of Steubenville is going to be made into a movie.

Eagle-Lion Films will bring the semi-documentary photoplay to the screen. The movie will be called

"Twelve Against the Underworld." One of the preachers, Dr. Norman E. Nygaard, pastor of Westminster Presbyterian church, has agreed to serve as technical advisor on the photoplay.

The movie is based on Dr. Nygaard's book describing the much-publicized battle.

Aubrey Schenck, who will produce the movie, said he hopes to persuade all 12 of the ministers to appear in the movie, portraying themselves.

First stamp duties were imposed by Holland in 1624.

TAKE ANOTHER LOOK  
PORTLAND, Ore., (INS)—A high school girl with the "new look" received a surprise recently. She was waiting for a bus, and had on a coat and hood, white Egyptian girl blouse with long sleeves and collar almost up to her ears, and a long black ballerina skirt. A young man approached and said: "Pardon me, but are you entering an order? I don't seem to recognize it."

In the days of King Alfred much of England was bog or shallow swamp.

# Sentence Eight Koreans To Die

**U. S. Military Commission Sentences Eight To Gallows For Part In Assassination**

SEOUL, April 1.—(INS)—A U. S. military commission in Seoul sentenced eight Koreans today to die on the gallows for the assassination of Chang Duk Soo, vice chairman of the Rightist Hankook Democratic party.

Two other Koreans received sentences of ten years at hard labor for their part in the conspiracy that resulted in the political murder committed last Dec. 2.

The sentences are subject to review first by Lt. Gen. John R. Hodge, chief of American occupation forces in South Korea, and then by Gen. Douglas MacArthur, supreme Allied commander in the Pacific.

**Implicate Kim Koo**  
At the trial of the ten Koreans the prosecution introduced confessions made to the U. S. Army's criminal investigation department, in which the defendants implicated the prominent Rightist leader, Kim Koo, in the assassination plot.

Kim Koo presently is planning to attend the joint north-south political conference at Pyongyang, called by Leftist leaders in Soviet-occupied North Korea.

Taking the witness stand during the trial, Kim Koo denied knowing any of the defendants who had claimed they acted with his concurrence in conspiring against the life of Chang Duk Soo.

Under cross examination, Kim Koo refused to answer pertinent questions on the grounds it would be "degrading" to his character. American military authorities announced they contemplate no action against Kim Koo in connection with the assassination of Chang Duk Soo.

Meerschaum, the material used in making a certain type of smoking pipes, when dug is soft and of an almost cheese-like consistency. It rapidly hardens on exposure to the air. The largest source of meerschaum is in Asia Minor.

# Recent Bride Is Murder Victim

NEW YORK, April 1.—(INS)—Police expressed belief Wednesday that the necktie murder of pretty Mrs. Vera Lotito, 38, a bride of four months, was motivated by an insane desire for vengeance.

From various facts and clues, detectives theorized the fiendish slayer might have been a former suitor the career woman rejected to marry Robert Lotito, an insurance executive, after a Caribbean cruise romance.

The husband found his bride's body, stabbed repeatedly and trussed with his own neckties, when he returned to their tiny one-room honeymoon apartment last evening.

Police continued to pore over a list of hundreds of names in 15 address book kept by Mrs. Lotito, a widow before she married four months ago.

"Ltd." the abbreviation for "Limited" as used after the names of British firms, means that the liability of each shareholder is limited to the amount of his stock or shares, or to an amount fixed by guarantee.

# New Castle Public Schools

One of a series of articles concerning the public schools of New Castle. Written by a member of the New Castle Chapter, Pennsylvania State Education Association.

## KNOW YOUR SCHOOL

Parents, have you been to school lately? Oh, I don't mean to sit in a classroom and study to acquire some book learning; it probably has been years since you have done that—but how many of you know to what kind of a school you are sending your child? To what kind of an atmosphere does he go each morning at 9 o'clock? In what sort of a classroom situation does he have to exist—to grow and to develop each day from 9 until 4? What are the opportunities or lack of opportunities that the public school in your particular locality offers?

Did you ever stop to think that the public schools in these United States are yours—yours as good citizens and taxpayers; therefore, a double responsibility is involved. The schools have a responsibility to you, but you also have one to them. Who else will assume the responsibility or even care if your school has good lighting, sanitary toilets and drinking fountains, an auditorium, and a modern well-equipped gymnasium. These are the prerequisites of a good school; but how many of you are sending your child to an old fashioned out-moded school building which merely serves the purpose, nothing more!

Remember the function of the public school in the United States is to train our children for future citizenship; to educate their minds and strengthen young bodies that

they may grow into healthy, intelligent American citizens—well prepared to step out into the world and assume their rightful positions as leaders in this great democracy of ours; whether as statesmen, doc-

tors, lawyers, teachers, secretaries, truck drivers or plain Mr. and Mrs. Parents, is your school meeting the needs of your child? If not, it is your duty to see that it does. What are you doing about it?

**Presto COOKERS**

Now available in sets of 2 or 3, or in individual units. 6-quart All-Purpose "MEAT-MASTER" for large portions of meat, chicken, game, fish, etc. Holds 5 pint jars for canning.

4-quart "COOK-MASTER" for the average family of four. Holds 3 pint jars for canning.

2 1/2-quart "VEG-MASTER" for the "all-alone" homemaker. Large enough for servings for 2 or 3 persons. Come see how easy it is to use a PRESTO COOKER!

Meats cook deliciously tender, not in hours, but in mere minutes. Imagine! A 4-pound pot roast in 35 minutes or fried chicken in only 20 minutes.

Vegetables cook in fractions of ordinary cooking time, with more of their natural vitamins, minerals, garden-fresh colors and flavors retained. Even whole beans cook in only 10 to 15 minutes.

Cereals and soups, in fact, practically all cook in a Presto Cooker in amazingly short times. Most cereals are ready in 2 to 5 minutes. Wholesome, flavorful soups take only 15 minutes.

You'll marvel at the taste-thrilling desserts that may be prepared in only one-fourth of the time used in ordinary cooking methods. For example, smooth, creamy custard in 5 minutes.

## Seek To Bolster Japanese Trade

Will Seek To Shift Japanese  
Trade To Sterling Areas  
Of South Pacific

TOKYO, April 1 — (INS)—Economic planners at Gen. Douglas MacArthur's Tokyo headquarters announced Wednesday a plan to shift the emphasis in Japan's trade to the sterling areas of the South Pacific.

This will be done, it was stated, in order to offset Japan's gigantic trade deficit.

Rubber, tin, iron ore, resins, gums and probably light machinery will be imported into Japan from Malaya and other southern regions.

It was pointed out that the new program will be based on the old Japanese pattern of co-ordinating oriental markets.

Consider New Markets  
The Allied planners said this is the first time since Japan's surrender that Far Eastern markets are being considered important enough to provide imports to balance the Japanese trade deficit.

At the same time it was stated that the Japanese proposal to the Draper mission that the exchange system be simplified and liberalized is already figuring in present plans because the oriental countries, which are Japan's greatest market, use the pound sterling unit of currency.

Another Japanese proposal to the Draper mission that Japanese businessmen be permitted to go abroad is under consideration, although at first only Japanese representatives selected by occupation headquarters will be permitted to travel overseas.

## Albert G. McConnell Co-Operative Head

Well-Known Farmer Named To  
Manage Farm Bureau Co-Op-  
erative Association

Albert G. McConnell, of New Galilee, R. D. 1, has been selected to manage the operations of the Lawrence Farm Bureau Co-operative Association, President Lauren Thompson announced.

A young farmer who has been active in numerous farming projects in the county, McConnell was graduated from local schools and attended Geneva College. Married and a parent, he owns the farm on which he now resides.

Although he never served previously in a similar capacity, McConnell's farm background will stand him in good stead as he directs the association's activities to best serve the needs of other farmers in the area.

The youthful New Galilee agrarian—his 28, possesses of courage, initiative and a zeal to help his neighbors—is not unfamiliar with the goods and services which the association will provide. He has had some previous experience in farmer service organizations through his interest in artificial breeding co-operatives.

McConnell will be aided until all services are fully established by experienced personnel from the Pennsylvania Farm Bureau Co-operative Association, a State wholesale purchasing and servicing organization, which is owned and controlled by twenty-six similar local Farm Bureau associations throughout the State.

"In the general interest of agriculture in Lawrence County," McConnell said upon being contacted, "It is my hope that all the county's farmers will visit us on the opening day, April 16, to see what this association is, how it plans to operate and learn how it can provide needed services."

## Y.W.C.A. Dinner To Honor Chairman

YWCA Regional Conference Head,  
Mrs. W. Cuthbert—Local  
Delegates To Meet

Mrs. William M. Cuthbert of Pittsburgh, Promotion Chairman for the YWCA Eastern Regional Conference in Atlantic City, April 9-11, will be present for a dinner-meeting with New Castle YWCA delegates on Friday, April 2, at 6:15 p. m.

Mrs. George Morris, YWCA Religious Education Chairman, Mrs. J. W. Valentine, Publicity Chairman, Mrs. Bruce Headland, Board Secretary and Junior Business Girls Club Treasurer, Mrs. Ruth Hill, chairman of the Health and Recreation Committee of the Elm Street committee and of the Devotions and Social Committee of the Friendship Club; and Bonnie Nelson, newly elected secretary of the Union High School Sr. Y-Teen Club, have been elected delegates to this Eastern Region Conference, together with over 1200 other delegates from 141 city and 134 student YWCA's in the Eastern Region.

This meeting is one of five get-togethers scheduled in the United States this spring to discuss the needs of the times and lines of policy to be followed on questions of policy. To come here for the National YWCA Convention which meets next spring in San Francisco.

Mrs. Cuthbert, who is on the National Planning Committee for this Atlantic City Conference will discuss the business of the conference with the New Castle delegates Friday evening of this week.

DESCRIBE GREEK OFFENSE  
ATHENS, April 1.—(INS)—Maj. Gen. James A. Van Fleet, chief of the U. S. military mission in Greece, described the current Greek army offensive at Mount Kroussa as an "offensive-defensive action."

The troops are engaging some 960 guerrillas.

# McArthur Orders Halt To Strikes Planned By Japs

By HOWARD HANDLEMAN  
(U. S. Staff Correspondent)

TOKYO, April 1.—Gen. MacArthur officially forbade Japan's Public Workers Union Wednesday to stage a planned series of "staggered" strikes.

An order from the Allied Supreme Commander's headquarters prohibited what it called "systematic layoffs of short duration in different areas on different days."

The order was explained by Maj. Gen. William Marquat, chief of the headquarters' economic and scientific section.

Speaking for the supreme commander, Marquat said staggered stoppages "can only be considered a subterfuge since the cumulative effect of such actions is identical with or comparable to that of a simultaneous work stoppage in all areas."

The stagger strategy thus was brought officially within the scope of MacArthur's previous ban on general strikes.

Marquat said: "This type of activity falls within the definition of coordinated work stoppages" which MacArthur's headquarters prohibited in a directive issued Monday.

**Railway Strike Postponed**

Earlier today, Japanese railway union leaders postponed indefinitely a partial strike which had been scheduled to begin tomorrow.

Officials of 13 local rail unions, involved in the original strike call, said they had decided to postpone the stoppage in order to await the Japanese government's "attitude" in renewed negotiations toward settlement of the nation's labor crisis.

The planned partial railway strike falls within the new ban imposed on MacArthur. Marquat stressed that the supreme commander does not intend to impair labor's right to strike. He quoted from MacArthur's directive of January 31st, 1947, as follows:

"I do not intend otherwise to restrict the freedom of action heretofore given labor in the achievement of its legitimate objectives."

"Nor do I intend in any way to compromise or influence the basic social issues involved."

## Will Brand More Organizations As Being Subversive

**President's Loyalty Review Board Making New Investigations Into Groups**

WASHINGTON, April 1.—(INS)—Justice department officials predicted today that a second group of more than 50 organizations will be officially branded as subversive by the president's loyalty review board within the next few weeks.

Data for the list is being correlated for presentation in its final form. The final steps before publication will be reviewed by top justice department officials and approval by the loyalty review board.

**Orders Action**

President Truman ordered preparation of the so-called "subversive list" by the justice department and subsequent publication by the board in an executive order issued in connection with his loyalty program.

The lists are distributed among government agencies "for use in connection with consideration of employee loyalty."

The first list, published early in December, characterized more than 80 organizations as subversive.

The first list included, among other groups, the American Communist party, Hollywood Mobilization for Defense, American Youth for Democracy, Veterans of the Abraham Lincoln Brigade, American Peace Mobilization, American Youth Congress, Civil Rights Congress and the American League Against War and Fascism.

## Heavy Withdrawals Of Storage Foods

HARRISBURG, April 1.—(INS)—Consumers made heavy withdrawals on all major food items except shell eggs in Pennsylvania cold storage houses during February, it was reported today by the state agriculture department.

The monthly federal-state report showed that egg holdings increased from 9000 to 9000 cases during the month while creamery butter stores declined more than 50 per cent to 433,000 pounds.

Cream holdings declined 367,000 pounds to 399,000 pounds and supplies of frozen eggs dropped 231,000 pounds to slightly more than 3,000,000 pounds, the department said.

Poultry holdings remained relatively steady at 7,556,000 pounds.

**NEW RESTRICTIONS**

BERLIN, April 1.—(INS)—Soviet occupational forces imposed drastic new restrictions on travel through the Russian zone of Germany Wednesday and Anglo-American protests were anticipated.

In a letter sent to the three western occupying powers, Soviet Commander Marshal Sokolovsky outlined the new rules, effective April 1.

George Washington, "father of his country" and first President, was a fourth generation American. Christmas seals were invented by a Danish postal clerk in 1903.

## Americans Plan Trieste Parade

**American Soldiers In Trieste Will Observe 'Army Day' With Big Parade**

TRIESTE, April 1.—(INS)—U. S. Army headquarters announced today that American troops in the free territory of Trieste will parade in "full field equipment" on April 6—the American "Army Day."

The parade will include troops from all combat components, armored cars, tanks, guns and technical vehicles.

Maj. Gen. Bryant E. Moore announced that "while this might be construed as a show of force, it was planned long before the recent political events."

He added that it will be a "truly impressive affair" however, in the tense area which the western powers now want to return to Italy.

**CURIE AT PHILADELPHIA**

PHILADELPHIA, April 1.—(INS)—Eve Curie, author and publisher, was in Philadelphia Wednesday for a dinner opening the 1948 cancer crusade.

Ms. Curie, daughter of the late Pierre and Marie Curie, was met at Broad street station by city officials. She was later greeted by Mayor Bernard Samuel.

Extroverts are said to favor red colors. Introverts and conservatives prefer blues.

## Urges Enforcement Of Export Controls

WASHINGTON, April 1.—(INS)—Sen. Wilson (R) Iowa, called on the administration today to enforce export controls in a way that will prevent Russia from getting equipment for "blueprint" purposes.

Wilson asked more careful screening of exports that might move behind the iron curtain as two senate subcommittees probed into the commerce department's

system of enforcing export licensing.

One senator privately labeled the enforcement of export policy as "chaotic" and said the department's procedures will be aired later in a public hearing.

Wilson urged that export licenses be denied for shipments to Russia of anything that is needed in American economy.

Gamaliel Bailey (1807-59) was an American journalist and prominent in the anti-slavery conflict. It was in his paper, "The National Era," that Harriet Beecher Stowe's "Uncle Tom's Cabin" first appeared in 1852.

## Grove City Choir Singing Cantata In New Wilmington

Grace Methodist Singers Will Present 'Seven Last Words of Christ'

NEW WILMINGTON, April 1.—The choir of Grace Methodist church of Grove City will present the cantata "The Seven Last Words of Christ" by DuBois tonight in the Methodist church here. The program will start at 8.

Joseph Thompson of Volant will have the tenor solo parts while Robert Rudolph, director of the choir, will have the baritone solo parts.

The program was arranged by Roland Robinson, youth leader of the local church as a contribution to the two weeks' preaching mission which opened Monday night under the direction of Rev. George Myers.

The public is invited.

E. S. Bayard of Pittsburgh, editor of the "Pennsylvania Farmer" magazine, was the speaker Monday evening in the parlors of the Methodist church when the Kiwanis club observed Farmers' Night.

Mr. Bayard reviewed farm problems of today and urged a continuation of the type of cooperation between various occupational groups indicated by the meeting. He illustrated many of his points with humorous stories and made a distinct hit with his listeners.

The program was arranged by Logan Buckwalter, chairman of the agricultural committee. Group singing was led by Walter Shaffer with Edward Freeman, a guest, at the piano.

Rev. Robert McDonald, pastor of the United Presbyterian church, is on a two-week vacation. Dr. H. Ray Shear of the Pittsburgh-Kenia seminary will occupy the pulpit next Sunday morning.

Members of the Young Women's Guild of the United Presbyterian church will meet in the social room of the church at 6 p. m. today for their regular monthly program.

Miss Marjorie Gilliland, chairman of the committee, will be assisted by Mrs. R. W. McFarland, Mrs. J. Walter Green, Mrs. Arthur Minter and Mrs. Robert M. Woods.

Nate Frey entertained members of the Rotary club with a picture illustrating the various phases of welding at Monday night's meeting.

## Martin Opposes Schools Grant

By CHARLES B. SEIB  
(U. N. S. Staff Correspondent)

WASHINGTON, April 1.—Sen. Martin (R) Pa., said today that the United States can't afford a proposed 300 million dollar federal grant to public schools if the country is to meet "international commitments" and build up its defenses.

Martin, in a speech prepared for delivery on the senate floor, warned

ed that the school aid bill, now up for consideration, is not in keeping with the "Spartan sacrifice" and the "strictest economy" needed to see the country through the world crisis.

The senate is expected to vote today on the bill, which has the active support of GOP policy leader Taft.

JERUSALEM, April 1.—(INS)—The bread shortage caused in Jerusalem by disruption of traffic grows steadily worse.

Jewish bakers have only sufficient flour to supply heavily-rationed bread until next Tuesday.

## WOMAN SLAYER SENTENCED

PHILADELPHIA, April 1.—(INS)—Elizabeth L. Bernhardt, 31-year-old blonde waitress, drew an indefinite term in the industrial home at Muncy Wednesday for the

fatal stabbing of Daniel Flynn, 34, last December 28.

Flynn, father of three children, was found dying on the steps of a North Philadelphia hospital. It was testified at Miss Bernhardt's

trial that the victim had tried to break off an affair with her.

Defendants at Muncy customarily are detained at least 18 months.

Drive slow—children move fast.

## WASHINGTON, April 1.—(INS)

Sen. Lodge (R) Mass., urged congress to minimize the draft by authorizing army enlistments of aliens for duty outside the United States.

Lodge told the senate armed

## Bankhead To Tell Of Plot On Life While In Canada

Consul Due In Washington To Explain Three Attempted Assassinations

By GEORGE DURO WASHINGTON, April 1.—(INS)—United States Consul John Bankhead is back in Washington to explain to the State department, and probably the House Un-American Activities Committee, what lay back of three attempts on his life at his Windsor, Canada, post.

According to Canadian authorities, Bankhead was directing a vigorous crackdown on Communists seeking to enter the United States through his consulate.

Official concern was expressed in advance of the consul's arrival by Rep. McDowell (R) Pa. chair-

man of a House Un-American Affairs subcommittee, who asked the Justice department to give Bankhead protection.

Bankhead, in a recent visit to the United States, appeared secretly before the Un-American committee. Members believe that the three attempts on his life stemmed from that appearance.

**Official Report**  
The consul, a nephew of the late Speaker of the House and the Senator from Alabama who is a

cousin of Tallulah Bankhead, plans to make his official report to the State department today.

Most lethal attempt at assassination was the last, when an assailant jumped from behind bushes and fired two shots at Bankhead.

The Royal Canadian police thereafter let it be known that poison candy and poison whisky had been sent to the consul, while on another occasion sand was put in his gas tank.

According to advices from Wind-

sor, Bankhead appeared at his desk one morning and found a bottle of whisky in a drawer which he knew did not belong to him. He sent the whisky out for chemical analysis.

It appears that both the State department and the Un-American committee want to know whether he is a marked man if he returns to Windsor. His policy of attempting to break up Communist border traffic, according to Canadian authorities, were responsible for the three assaults.

## Believe Masaryk Victim Of Murder

**Ex-Czech Delegate Jan Papanek And American Born Wife, Not Fooled By Suicide Story**

BOSTON, April 1.—(INS)—Mrs. Jan Papanek, American-born wife of the ex-Czechoslovak delegate to the United Nations, said information reaching her indicates Jan Masaryk, late foreign minister, was murdered by Communists. She said:

"My husband and I refuse to believe that Jan Masaryk was a suicide. We believe, backed by the facts we have, that he was murdered."

**No Word From Benes**

Mrs. Papanek said no word has been received from Eduard Benes, president of the republic, since the Communist coup.

She said she believed he was being held a prisoner in his home. "He is not a free man," she declared. "He intended to resign March 6, we know that of a certainty. We know also that he wrote three speeches which the Communists refused to let him broadcast."

"If the Communists has not threatened to use force and not stop at open revolt, he would never have permitted the overthrow of his government."

Mrs. Papanek charged that the Communists intimidated people by bombs sent through the mails and mysterious assaults all of which revealed their ruthless methods.

### RIGHT WRINGING

There are right and wrong ways of doing even such a simple household job as putting clothes through the wringer of the washing machine. Careless wringing can damage both clothes and machine. Here are rules for right wringing:

Before putting clothes into the wringer, fold them smoothly so that the thickness is evenly distributed across the roll. Running clothes through in a lump is hard on both clothes and wringer.

Let the machine wring at its own pace. Never try to rush the job by putting or forcing pieces through. Large buttons or buckles should not go through the wringer. They are likely to break, bend, tear off or damage the rubber on the rolls. Fold small buttons or other fastenings under a layer of the fabric, before wringing so that they do not come in direct contact with the rolls. Otherwise, they may scrape the rubber or be torn off. Belts, sashes, or other small strips of clothing also should be folded under so that they do not catch in the rolls.

Sometimes small articles like

handkerchiefs stick to one roll and are turned over and over. To avoid this, fold them inside a towel or other large piece before wringing.

As soon as the laundry is finished, release the pressure on the wringer so that the rolls separate. If they are left pressed together, flat places form on the rolls which make for incomplete wringing. Wipe rolls dry before leaving the machine, or wash and dry them if they are stained by colored clothes. Never allow grease or a greasy solvent like gasoline to get on the rolls. These substances rot rubber. Take good care of the rubber and it will serve a much longer time.

Wisconsin established the first state trunk highway system.

## Penicillin For New Babies Eyes Will Be Tried

**Will Experiment With Penicillin As Substitute For Silver Nitrate In Washing Eyes**

HARRISBURG, April 1.—(INS)—State Health Secretary Norris W. Vaux announced today that two hospitals in the state will be permitted to experiment with penicillin in treating the eyes of newborn babies.

The state rule requiring bathing with a one per cent solution of

freshly prepared silver nitrate to protect children's eyes from gonorrheal infection will not be relaxed, Vaux said.

### Will Experiment

The hospitals, not yet selected, probably will be located in Pittsburgh and Philadelphia.

"We are not going to change the ruling until we decide that penicillin treatments are as good as those with silver nitrate," he explained. "We will permit two hospitals to use penicillin as a control with silver nitrate—using one on some infants and the other on others."

Vaux said mothers infected with gonorrhea are treated during pregnancy to prevent transmission of the disease to their child. Use of silver nitrate at birth still is required in Pennsylvania and 41 other states, he said.

## Believes France Is Eager For ERP

PHILADELPHIA, April 1.—(INS)—Mile. Eve Curie, daughter of Pierre and Marie Curie, discoverers of radium, believes the people of France are eager for the success of the European recovery program.

The French author and publisher was a guest at the opening of the 1948 cancer money drive last night in Philadelphia.

She asserted that Communist power in France was on the wane and that the French Communists no longer have the power to defeat ERP by a general strike.

Mile. Curie was presented with

a grant of \$10,000 from the American Cancer Society for cancer research in France.

Drive slow—children move fast.

Consumption of oranges in the United States rose from 21 pounds per capita in 1924 to 38 pounds per capita in 1939.

**Wonder Minerals**  
MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral-iron deficiency. When you feel nervous, dizzy, tired, may have dizzy spells, no ambition to work or play, a poor appetite, when your eyes lack that bright, clear, and your mind is dull, when headaches get the best of you, and you feel old before your time, when the sexual powers weaken, and life seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. **Geo-Mineral** is then what you need.

**RHEUMATISM**, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain of these ills. Doctors send people to mineral springs to find cure or relief. The late President Roosevelt used to go to Warm Springs in Georgia. He was helped or would not have gone there twice a year.

**Amazing Results**  
YEARS after you, people rush to mineral springs and spas, to drink and bathe in their miraculous waters. We have all heard of the wonderful springs of Lourdes, France, and famous Thonon in ancient Greece where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

**Geo-Mineral** contains minerals you get at the world's best springs. It aids your elimination from your bowels a day or two after using it. The waste, black as the color of your shoes, will start to break away, and you will SEE it! Also examine your urine. You may see impurities—poisonous waste—coming out of your kidneys, relieving you. And then realize his value. **Geo-Mineral** is not a physic, and does not interfere with the food in the stomach. It cleans and purifies the intestines thoroughly, relieving gas, toxins, acids, and bloating. After these poisons are out of the system, and the kidneys purified, we begin to feel the arthritis and rheumatism leaving, and Nature starting to complete the recovery.

**WE URGE** everyone to try **Geo-Mineral**. Do not hesitate one moment. Come to this drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money. **Geo-Mineral** Retail Price 1 Bottle \$1.50 6 Bottles \$8.00

## Electric Power Survey Ordered

**President Truman Directs  
High Command To Study  
Possible Expansion  
Under Emergency**

WASHINGTON, April 1.—(INS)—President Truman directed his economic high command Wednesday to make a speedy study of possible expansion of the nation's electric power production facilities in view of the emergency defense program.

The president conferred with Arthur Hill, head of the National Resources Board; Gordon Clapp, chairman of the Tennessee Valley authority and Dr. Edwin G. Nourse, chairman of the Economic Advisory Council.

Nourse said that the chief executive is highly aware of the needs for electric power production expansion.

**Need Expansion**  
He said Mr. Truman had discussed the whole problem with the group and had directed that a study be made of needs for expanding power production facilities all over the nation in the light of requirements of the new emergency defense program.

Clapp, who reported on power facilities available at TVA, said that peacetime power consumption in the TVA area has peaked peak wartime loads.

But he said TVA facilities need to be expanded to a great extent to meet the new needs for industrial electric power, particularly for the manufacture of aluminum for aircraft and for the chemical industry.

Nourse said that the president expressed "deep concern" over a power shortage.

Nitrogen was discovered by an Italian named Sober, in 1847.

## Ready Playgrounds For 'Biggest' Year

Preparations are now being made for what is hoped to be the best year to date for the city's playgrounds, according to Art Alexander, playground director. The equipment is being brought out and cleaned up and several improvements are being planned. Among these are a new shed to be erected on the Laurel playground and grading projects on a few of the others.

The playgrounds will not be opened until after the local schools are adjourned for the summer and, as yet, the personnel with the responsibility of managing them have not been chosen. Last year's results were very gratifying and this year should attract a record number of youngsters to share in the many activities offered by the city's playgrounds.

## School System Purchases Many Needed Materials

Members of the New Castle school board met in special session last night and approved the purchase of materials necessary for general repair and improvement throughout the system.

The Regal Typewriter company of New York has been awarded the contract for replacing 50 machines with an equal number of new ones at a cost of \$1,765. Three General Electric vacuum cleaners were bought from the Ferry Electric company of Pittsburgh at a cost of \$220.07 each. A 32-inch power mower with snow blade attached was purchased from the Golf Course Supply company of Pittsburgh at a cost of \$680. Three boilers with grate bars and other parts were bought from the William M. Clark company for \$7,231, and the same firm was awarded the contract for 5,700 feet of galvanized and black pipe. The bid was \$2,045.43.

The board also approved the purchase of 3,000 feet of copper pipe, one-half to one-inch, at a cost of \$1,749.

No agreement could be reached on the awarding of a contract to furnish vacuum pumps, and this was deferred.

**SEE HOW HOTPOINT DISPOSALL Gets Rid Of Food Scraps**

**Ends Garbage Problems Forever!**  
Saves Time, Trouble, Nuisance.

**LIKE MAGIC**, the new Hotpoint Electric Disposall® shreds food scraps into pulp and washes them down the drain. Garbage problems are solved instantly this sanitary, odorless way.

More, this amazing unit is self-cleaning. It actually scours the drain—saves you time and work—costs less than 10c a month to operate. Ask for a demonstration!

**HERE'S HOW IT WORKS**

1. You remove food scraps into the disposal.
2. You turn on cold water, which scours the disposal. Scraps are shredded, washed away.

Now the Disposall looks and performs. Arrows show how refuse is carried down drain.

## Mansell Talks On Delinquency

Local Attorney Tells Kiwanians Of Strides Being Made Towards Solving Problem

### NAME DELEGATES TO LOS ANGELES

Attorney Thomas V. Mansell, local attorney, gave an interesting talk on juvenile delinquency at the weekly meeting of New Castle Kiwanis club, in The Castleton, Wednesday, when he traced the growth of the movement to combat this problem, and told of what other communities are doing to reduce criminal tendencies in youth.

Some authorities are of the opinion that if the parent is made responsible for the conduct of his child, it would solve the problem, Attorney Mansell stated, but

vouchsafed the opinion that this was not the entire answer. It might curb some delinquency, he stated, but not all of it.

A study of the problem reveals that criminal tendencies have developed in youths by the time they are 18 years of age, a survey of the criminal population of our penitentiaries revealing this fact. Increasing law enforcement agencies also does not seem to be the answer, because the cost of maintaining these agencies is already four to five times as much as the cost of maintenance of delinquents in correctional institutions. There are today:

In New York City, where a study of child delinquency was made, it was found that most of the delinquents came from the slum areas, where life is crowded and where environment is poor. Broken homes also contribute largely to the problem.

When playgrounds and recreational areas were developed in this district, delinquency dropped amazingly, the saving on property damage more than offsetting the cost of the maintenance of these places.

Announcement of the results of the election of delegates to Kiwanis International was made by President Thomas G. Allen, revealing that Mr. Allen and L. C. Mantz were named as delegates, and John A. McGrath and Sam Lewis, as alternates.

Mr. and Mrs. William Rodgers of Youngstown, Ohio, were dinner guests at the home of Mr. and Mrs. Billy Reese on Sunday.

Housing designs may be changed by a new sandless glass which admits sunlight with all its healing properties, it is predicted.

The egg of the ostrich, the largest bird in the world, may weigh from 2½ to 3 pounds, while

the egg of the humming bird, the smallest bird weighs less than one-half gram. It would take ap-

proximately 1000 humming bird eggs to weight as much as one ostrich egg.

# York Captures Disputed PCIAA Class B Title

STATE COLLEGE, Pa., April 1.—York Catholic high school won a disputed 44-42 victory over St. Mary's Central last night at State College to capture the class "B" basketball championship of the PCIAA.

Jim Goetz, coach of the losers, indicated he would protest the result which stemmed from the last play of the game when Bill Campbell, York standout, netted his ninth field goal in Penn State's recreation hall.

Robert Graham, the official timer, ruled the ball had been released after the final gong but Umpire Howard Yost of Lock Haven reversed Graham.

More than 3000 people saw the two teams battle down to the bitter end; the lead changed 10 times but neither club had a wide margin after the first quarter.

## NCAA BOXERS OPEN TOURNEY

MADISON, Wis., April 1.—(INS)—The long road that leads to London and the summer Olympics started for college boxers today as they squared off for the 11th annual NCAA championships.

The tournament, first of 11 which will send eight winners each to the Olympic tryouts at Boston in June, starts with 30 bouts today and tonight and ends with the finals at the University of Wisconsin fieldhouse Saturday night.

Sixty-two fighters, including five 1947 NCAA champions and boxers from 22 colleges and universities, are slated for action during the three-day first-fest.

## JIM SNOW VISITS PARENTS ON EASTER

Jim Snow, well-known young local athlete, who is stationed at the New London, Conn., sub-base, spent the Easter holiday period with his parents, Mr. and Mrs. James Snow, of 1018 Becker street.

The basketball team at New London, of which Jim was No. 6 man, and on which Ralph Stokes, son of Mr. and Mrs. David Stokes, of Edgewood avenue, was a regular, won the district championship, and reached the finals in the Norfolk Navy tournament. The members received handsome billfolds for their prowess.

**WIN CATHOLIC "A" TITLE**  
ALLENTOWN, Pa., April 1.—(INS)—Allentown Central defeated Johnstown 45-41 last night in Allentown to win the Pennsylvania Catholic scholastic basketball title for Class A teams.

It was the 26th conquest in 31 games for the Vikings and their third successive crown.

**PRO SERIES RESUMES**  
ST. LOUIS, April 1.—(INS)—The Philadelphia Warriors and the St. Louis Bombers resume their Basketball Association of America playoff series tonight at the St. Louis arena.

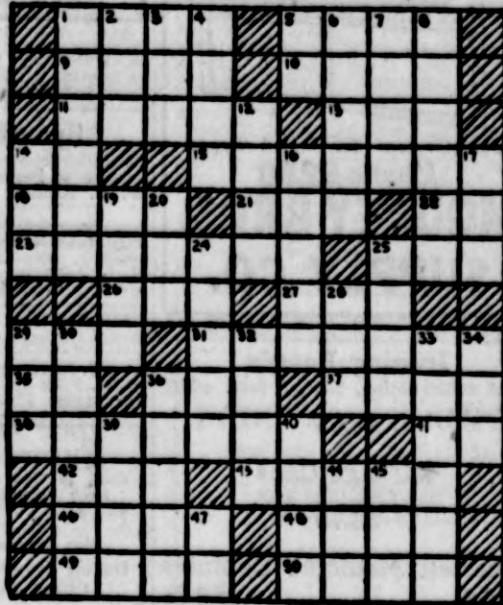

The teams have played four games thus far in the seven-game series and each has won two contests.

Winner of the Frank J. Scraton Trophy awarded annually to Penn State's most representative boxer, Jackie Tighe is the ninth man to gain this distinction. The Scraton war veteran captained the Lion boxers this year for the second time.

The game of dominoes has often been used as a means for heavy gambling, but chiefly, the game is now one for children.

## Steelers' Card Lists 12 Games; Don't Meet Bears

PITTSBURGH, April 1.—(INS)—The Pittsburgh Steelers, who finished second in the eastern division of the National Football league, have announced a 12-game schedule that includes every team in the loop but the Chicago Bears.

The Steelers will open in Washington against the Redskins, and close in Hollywood against the Los Angeles Rams.

The schedule:  
Sept. 26, at Washington; Oct. 24, Boston; Oct. 30, Washington; Oct. 31, at Boston; Oct. 24, at New York; Oct. 31, Philadelphia; Nov. 7, Green Bay; Nov. 14, Chicago Cardinals; Nov. 21, at Detroit; Nov. 28, at Philadelphia; Dec. 5, New York; Dec. 12, Los Angeles at Hollywood.

## FATE OF PAIR OF BUC HURLERS MAY COME TODAY

PHOENIX, Ariz., April 1.—(INS)—The fate of two Pirate pitchers may be decided by their snoring today against the New York Giants, as the Pirates attempt to snap a four game losing streak.

The two pitchers, Edson Bahr and Jim Walsh, are fighting for jobs on the Pirate staff. However, Manager Billy Meyer must cut the staff and if they fail to impress today, Meyer may be forced to send them back to the minors.

The Giants have taken four of the five games played with the Bucs today.
